## “In The Yards”

**Introducing new  
print in Denver!**

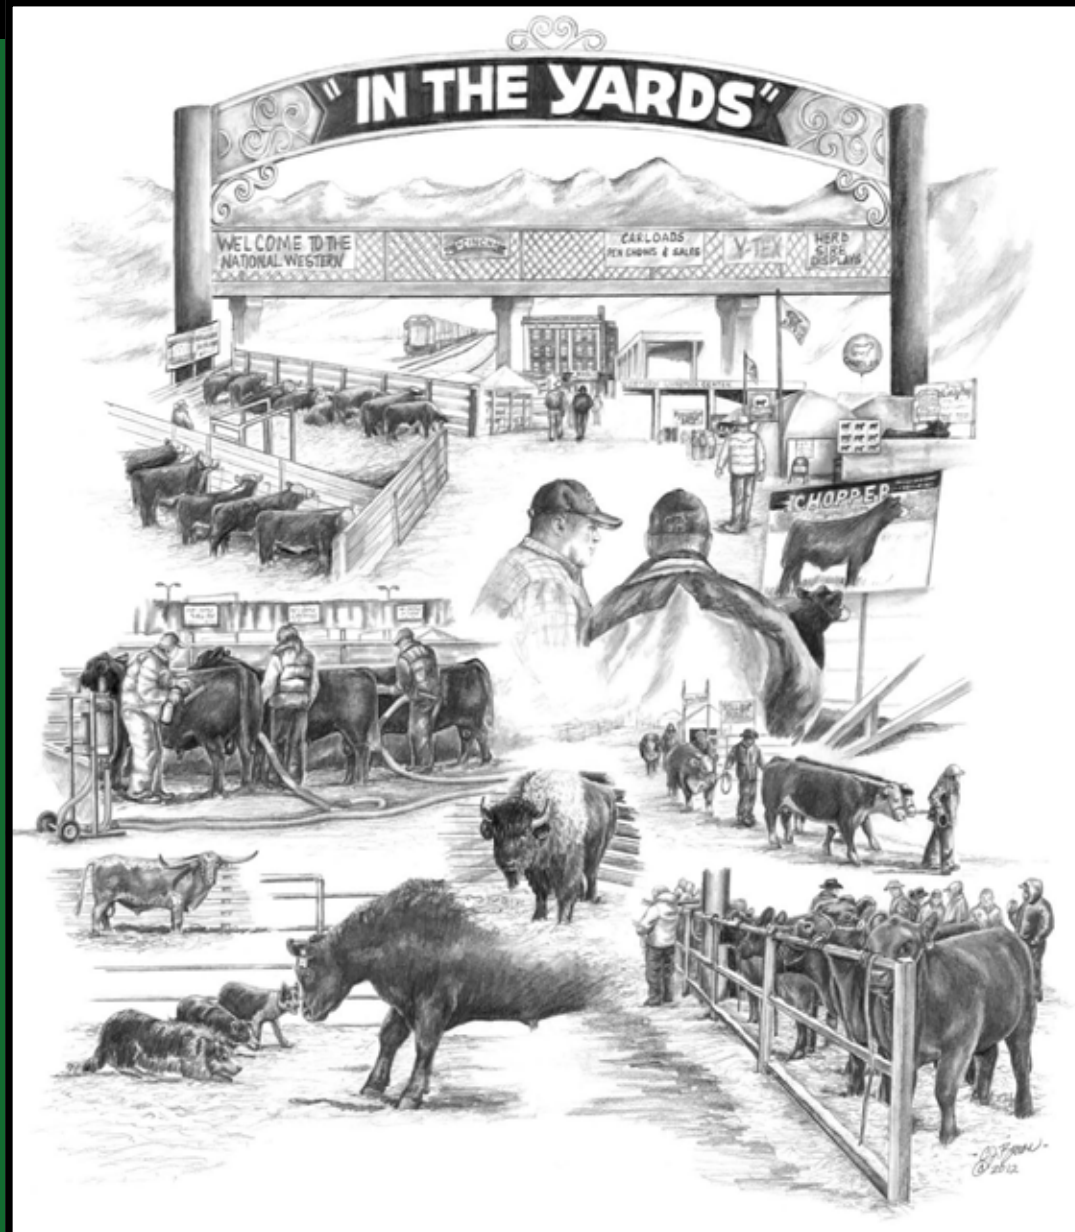

**TWO SIZES AVAILABLE**

- Signed Open Edition • \$25
- Limited Edition of 500 • \$50

“In the Yards” is the first print release to the series “Mile High Memories” to be completed over the next four years, honoring the National Western and memorializing the experiences which we’ve shared at the present location of the Stock Show. A portion of the drawing graced the National Western Premium catalog and the NWSS will be selling t-shirts and sweatshirts with this image.

Come visit me in my new location at the Livestock Sale Center (in the yards) where I will be selling the complete image as a limited edition print and a smaller open edition print. Also available on hand will be other prints including the new and extremely hot club calf print, “Purple Pasture.”

“In the Yards” will be a great piece to celebrate past, present and future “Mile High Memories!”
